

Opportunities in Kazakhstan

Central Asia Harvest Project (CAHP)

Responsible, sustainable agriculture and sound business practices that can improve the lives of small farming communities are guiding principles of the Central Asia Harvest Project (CAHP). CAHP provides commercial services and training to small-scale orchard farmers in Kazakhstan. CAHP has planted more than 30,000 fruit trees in 60 orchards representing 12 different communities!

Education projects in which IDEAS Associates have played an integral part include formation of the Tien Shan School and providing specialized language training for teachers in higher education.
